MICHAEL CULTURE ASSOCIATION

Michael Culture Association is involved in the Linked Heritage project as subcontractor.

Devoted to the valorisation of European cultural heritage, Michael Culture Association gathers public and private organizations as well as cultural institutions from all over Europe.

It aims at:

- Promoting and valorizing European cultural heritage by its digitization and dissemination to a European and worldwide audience, through the Michael Internet services portal: the European guide of the digitised cultural collections on line
- Enhancing the network of European professionals working on digital cultural heritage, through the actions towards the Minerva Network.

Its activities are:

- Management of the Michael Internet Services Portal;
- Support and development of the transmission and exchange of information, particularly via publications, conferences and events;
- Training on related subjects;
- Research on relevant subjects
- Participation in European and international projects.
